## September is Friendship Month

Little Lake City School District and Cresson Elementary School are continuing to celebrate a different theme for each month, even while we are in Virtual Learning. September is Friendship Month and we want to highlight different activities related to developing and maintaining friendships. Please read the attached flyer which includes some of the activities related to friendship. On Friday, September 11, from 11:15-1:15, we will kick off our Friendship Month celebration with a treat giveaway during our materials and lunch distribution time. Drive up and enjoy a treat from the Cresson staff to celebrate our friends.

# Friendship Month Kickoff

## When

Friday, Sep. 11th, 11:15am-1:15pm

## Where

Cresson Elementary School

## More information

We are kicking off our Friendship Month with a drive through event to share a treat to say "Hello, Friends!" It will take place around our normal lunch distribution and a small material distribution.

Please drive through on Friday, September 11, between 11:15 and 1:15 to take part. Bring the children with you in the car to pick up a special treat.

For safety and efficiency, please do not walk up for this event. Because there is usually a line of cars, we cannot stop to help people who are walking up because this causes traffic issues. If you must walk up, please come at the end at 1:15, and we will help you then.

In addition, remember that we are maintaining all safety standards: everyone must wear a mask and observe social distancing. Thank you for helping us make this a fun and safe event. We look forward to seeing you there!

## Let's Get Creative About Friendship!

Hey, Cresson Cougars, how would you finish the sentence, "A friend is someone who \_\_\_."? In honor of Friendship Month, we want to combine your idea of what makes a good friend and your creativity. Make a poster or sign or slide using the sentence above. Have your parents take a picture of you and your project and send it to Mrs. Rigg at [lrigg@lcsd.net](mailto:lrigg@lcsd.net) so that she can share it on the Cresson website as part of a Friendship Month slideshow.

Parents, please note that if you email your child's picture to Mrs. Rigg for the slideshow, this constitutes your permission to post the picture on the website. Only send a picture if you want it to be shared.
