December 2020

## Principal's Note

I want to take the opportunity to thank the staff, students, and families for all of the hard work through the first trimester of the 2020-2021 school year. It certainly is not how we would want it to be, and it has provided many challenges, so I am so proud of what we have been able to accomplish together. We have weathered technology issues, slow internet, new platforms and programs to learn and use, and the impact of continuing to need to teach and learn remotely. The staff understands how challenging it is for the parents to work and ensure their children are online and learning, and they greatly appreciate the support. I've spoken to many parents who have expressed their appreciation for everything the teachers are doing to provide instruction, support, and encouragement to the students. It takes all of us working together to make this experience a positive one, and I cannot express enough how grateful I am for my dedicated staff, my hard-working students, and my supportive parents. I couldn't ask for a better team and community. As we continue to strive together, please be safe and healthy, and always remember to take time to enjoy your loved ones. Thank you and enjoy the upcoming holiday season.

Mrs. Rigg

## Gingerbread Child Craft Contest

The December craft contest is similar to the turkey disguise of November. This time, you need to create a clever disguise for the Gingerbread Child so that he or she is able to escape being eaten. The winners will be invited to a Zoom meeting to complete a winter craft project with Mrs. Gallegos and Mrs. Rigg. Please read the flyer for more details.

## Welcome Aboard the Polar Express

Cresson is hosting a drive-through event for our students and families on December 18 from 2:00 to 3:00. The theme is The Polar Express, so climb aboard and come with us to the North Pole to see Santa Claus. Please see the attached flyer for more information.

\*Please note that it is possible this event could be canceled or postponed if the Los Angeles Health Department and Little Lake City School District determined it to be unsafe for our students, staff, and families.
